

In pursuing the State Championship, the Liberty-Benton Eagles defeated their outstanding competitors to win the state volleyball title. The Eagles played an impressive final game that highlighted the teamwork they have demonstrated throughout their trip to the playoffs. Each member of this very special team has shown the individual effort that their sport requires for a successful team result. As a direct consequence of their hard work and dedication, both on and off the court, they achieved an impressive season record that brought pride to their community.

Madam Speaker, I ask my colleagues to join me in paying special tribute to the Liberty-Benton High School volleyball team. On behalf of the people of the Fifth District of Ohio, I am proud to recognize this great achievement.

HONORING COLLEEN DENNY

HON. ELISSA SLOTKIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 7, 2021

Ms. SLOTKIN. Madam Speaker, I rise today to honor Colleen Denny, a partner in our effort to evacuate Afghan allies and a trusted resource for them as they look ahead to the vetting process.

Service is ingrained in Ms. Denny's DNA—she is a graduate of the United States Coast Guard Academy, where she earned her degree and was commissioned as an ensign. During her 8 years in service, she served on three different ships, including as commanding officer of a fast response cutter. Her duties spanned from search and rescues, counter-narcotics operations, to humanitarian aid missions. In 2010, when Haiti's infrastructure was leveled by a massive 7.0 earthquake, Ms. Denny was one of the first boots on the ground at the Port-au-Prince harbor, providing essential medical care, helicopter evacuations, and disaster relief to the population.

Later, as a Peace Fellow with the Children's Peace Initiative in Kenya, she worked to settle differences between warring pastoralist communities. With a focus on shared activities and common purposes, Ms. Denny helped bring together children from the two sides as well as tribal leaders in order to shift how the groups saw each other from adversary to ally.

Now, as regional director for Europe at Spirit of America, Colleen was instrumental in helping our group of Afghans escape grave and immediate threats from the Taliban. Despite the tragedy of fleeing their homeland, Ms. Denny provided them the support they need to now look towards the future with hope. From securing housing to providing basic supplies and tools to stay in touch with loved ones, Ms. Denny has given the same time, care, and consideration to each request. Ms. Denny is an example of our country at its best, with an attention to detail second to none. I cannot express how grateful I am to have her skills and expertise on our side.

Madam Speaker, I rise to honor Ms. Colleen Denny for her willingness to go above and beyond the call of duty in our effort to evacuate Afghan allies from Kabul and support them in their new life. For being there, on the tarmac, to meet vulnerable men, women, and children when they landed in Tirana and for continuing to be there for them in the days and weeks

afterward, I submit these words—may they stand as a tribute to her dedicated service when the moment called for it most.

HONORING THE LIFE OF JOSIP PEPERNI

HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 7, 2021

Mr. COURTNEY. Madam Speaker, I rise today to mourn and observe the passing of a hardworking public servant, Lieutenant Josip Peperni, who departed from this earth on November 16, 2021. Josip was nearing 20 years of leadership with the police department of Norwich, Connecticut when he unfortunately passed at the all too young age of 57. Josip was an indescribable positive force in the Town of Norwich, and his loss is a particularly sensitive one to the communities of eastern Connecticut.

Born across seas in Bradina, Bosnia-Herzegovina in the Balkans to Kazimir and Reljka Peperni, Josip immigrated to the United States at an early age, gaining the opportunity to establish roots of his own. In achieving that purpose, Josip transitioned to and lived as a longtime community member of southeastern Connecticut, gravitating toward a fulfilling career as a policeman. Though he held several essential roles during his loyal tenure as an officer with the Norwich Police Department—working as a school resource officer, within the department's crisis intervention team, and as a K-9 patrol officer—Josip Peperni was most recently promoted to the role of Lieutenant in 2018, overseeing the day-to-day functions of the Department's patrol unit. Joe utilized his position as Lieutenant as a resource to connect with the Town's community members, ensuring that Norwich Police portrayed an accessible and communicable brand. His incredibly approachable nature and guiding principle of treating everyone with equal respect helped him succeed in this mission. It is for these prime reasons that his intimate presence will be so sorely missed.

Madam Speaker, it is a privilege to represent constituents like Josip, who has reflected the continued strength of the American story by making the hard choice to immigrate to our nation, not just for opportunity but to also become intertwined with our communities. Though his loss is great, we should find solace in his work to contribute to that story, ensuring that it lives on through his surviving family, many of whom are now thriving members of their own communities within the State of Connecticut—his wife, Katie, his children: Nikita, Dakota Peperni and his wife Stephanie, and Kayla, grandchild Mya, and siblings Olivera and Karolina. Josip's legacy and compassionate character will also be remembered by his colleagues at the Norwich Police Department and the countless community members whose lives have been touched by his example. To that end, I ask that my colleagues and this Chamber join me in appreciating Josip's story and successes, expressing our condolences to the Peperni family and extending the reach of Josip's memory by setting it into stone.

Mr. JOHNSON of South Dakota. Madam Speaker, I rise today to recognize and honor the life of Marcella Rose Ryan LeBeau, Wígmúnke Wašté Wíŋ (Pretty Rainbow Woman), of the Cheyenne River Oóhenuŋpa (Two Kettle) Lakota Nation. Marcella LeBeau, a decorated veteran of the Second World War and a constant advocate for Indian country, passed away on November 22, 2021 at the age of 102.

Mrs. LeBeau was born in 1919, in Promise, South Dakota, and was a member of the Cheyenne River Sioux Tribe. After the death of her mother and grandmother, LeBeau attended an Indian boarding school where she faced much discrimination and was barred from speaking the Lakota language.

When LeBeau was 23 she enlisted in the Army Nurse Corps and served in England, France, and Belgium during the Second World War. As a nurse with the 76th General Hospital Unit, she treated frontline soldiers during the Invasion of Normandy and the Battle of the Bulge. According to Mrs. LeBeau, "it was the greatest honor of my life to serve."

After the war, LeBeau continued to serve her community as an R.N. for 31 years until she retired as the director of nursing for the Indian Health Service on the Cheyenne River Sioux Reservation. Marcella also served on the Cheyenne River Sioux Tribal Council from 1991 to 1995 where she succeeded in leading a campaign to ban smoking in tribal buildings.

Mrs. LeBeau remained active in organizations and advocacy for Native Americans' rights and health and was a co-founding member of the North American Indian Women's Association.

Mrs. LeBeau married Gilbert LeBeau in 1947 and together they had eight children, 29 grandchildren, 46 great-grandchildren and three great-great-grandchildren.

HONORING TERRELL CHANDLER

HON. ELISSA SLOTKIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 7, 2021

Ms. SLOTKIN. Madam Speaker, I rise today to honor one of our essential partners in supporting our Afghan allies as they await vetting and processing in Albania, Ms. Terrell Chandler.

Ms. Chandler is the Director of Field Operations for Spirit of America, a non-profit organization whose mission is to support our diplomats and our men and women in uniform abroad. Through 1,442 projects in 91 countries, Spirit of America delivers on the promise of a free and better life for countless individuals who live where Americans are deployed.

Before joining Spirit of America, Ms. Chandler spent over a decade as a Navy reservist supporting Marines, Green Berets, and other Navy units. In 2014, she served a combat tour in Afghanistan where she supported Navy SEALs and Army Special Forces as a member of a Cultural Support Team. While deployed, she developed a first-of-its-kind curriculum and training for a military exchange between U.S. and female partner forces in Southwest Asia, all while working to deliver humanitarian aid that supported the local population. This mission brought her in contact with Spirit of America and after exiting the service, she joined the ranks of other veterans who work at the non-profit.

In her role, she's been instrumental in sourcing donations for more than 100 Afghans who were evacuated to Albania. Their harrowing journey out of danger may be over, but they still need support while they are vetted to come to the United States—a process that could take years. Ms. Chandler knows how to bring resources and efficiency to a mission and we couldn't ask for a better partner as we coordinate the short, medium and long-term plan for our allies.

Ms. Chandler lives and breathes Mark Twain's words, "broad, wholesome, charitable views of men and things can't be acquired by vegetating in one corner of the earth all one's life." Wherever her service has taken her, she has taken the time to give back.

Madam Speaker, I rise to honor Ms. Terrell Chandler for her willingness to go above and beyond the call of duty in our effort to evacuate Afghan allies from Kabul and support them in their new life. For her commitment to providing for them while they await processing and resettlement, and for her resourcefulness and grit to solve any challenge, come what may, I submit these words so they stand as a tribute to her dedicated service when the moment called for it most.

HONORING THE LIFE OF
CHARLENE LEONARD

HON. BRIAN BABIN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 7, 2021

Mr. BABIN. Madam Speaker, I rise today to honor the life and legacy of Charlene Mat-

thews Leonard, who passed away on Tuesday, November 23, 2021, after a brief illness. She was born on March 3, 1933, in Mexia, Texas, to parents Z.S. and Jewel Matthews.

Charlene and her family moved to Beaumont, Texas, in the early 1940s, where she graduated from Beaumont High School in 1951. During her formative years, Charlene encountered and befriended Mrs. Eloise Milam, founder of the Melody Maids. This singing group of young women performed with the goal of expressing their gratitude to the men and women serving in uniform during WWII. Without hesitation, Charlene quickly joined the group. Traveling for 30 years as "Ambassadors of Goodwill," the Melody Maids brought joy to American military bases around the world.

Charlene met the love of her life, William S. "Bud" Leonard, while attending Lamar College, which is now known as Lamar University. They shared a wonderful marriage for nearly 67 years until Bud's death in 2020. During their marriage, the couple was blessed with two children. Their eldest daughter, Joni Marie, was born on March 14, 1956, in San Diego, California, while Bud was stationed there in the Navy. Joni was born with severe mental and physical disabilities, but that did not prevent her from living a full life at home with her parents for the last 65 years. Their son Will, equally the apple of the couple's eyes, was born in Beaumont two years later in 1958.

With a song always in her heart, Charlene could be heard faithfully sharing her love of music with the church choir at Calder Baptist Church, the Interfaith Choral Society, Beaumont Junior League Follies, and Lullaby of Broadway which supported the music program at Lamar University. She routinely attended her alma mater's functions, cheering on the Cardinals at athletic events, while her husband Bud served as Vice Chancellor for Development. Those attending productions at the Julie Rogers Theatre in Beaumont regularly found Charlene in the Melody Maids' Museum sharing the countless mementos and scrapbooks from their decades of travel that are housed there.

Charlene was strong in her faith and her love for her husband Bud, her son Will and his wife, Michelle, of Beaumont, and her twin granddaughters, Anne Kellam Leonard of Los Angeles, California, and Claire Matthews Leonard of Birmingham, Alabama. Similarly, one cannot say enough about Charlene's devotion and selfless adoration for her special daughter, Joni. She never relented in her resolve to personally care for Joni as long as she could and never complained or regretted one moment of that decision.

Madam Speaker, until he passed away in 2020, Bud and Charlene Leonard were an inseparable pair, a Beaumont institution that defined community service and a zest for life. Charlene genuinely loved and cared for people and valued making new friends to add to the many cherished old friends she was dedicated to her whole life. I am privileged to have known her.
